

# NOTICE OF SECOND PUBLIC MEETING

## To be held by SkyPower regarding a Proposed Renewable Energy Project

**Project Name:** HighLight Solar Power Project

**Project Location:** The proposed site for the project is located near the Township of Capreol, approximately 10 km northeast of Val Caron, which is part of the City of Greater Sudbury.

**Dated at** Township of Capreol this 24<sup>th</sup> day of February 2011.

### Meeting Information:

On June 28, 2010, SkyPower held our first public meeting regarding this project. An additional information meeting will be held on March 22, 2011 to provide a project update to the public. At this session, you will be provided with up to date project information, handouts, and have the opportunity to ask questions and provide comments directly to the proponent and its team of project and technical representatives. Please note, that a final public meeting will be held on a later date where the REA documents will be made available for review.

**DATE:** Tuesday March 22nd, 2011

**TIME:** Open house between 6 PM and 8 PM

**PLACE:** Capreol Citizen Service and Library  
9 Morin Street  
Capreol, ON P0M 1H0

### Project Description:

Pursuant to the Act and Regulation, the facility, in respect of which the project is to be engaged in, is considered to be a class 3 solar facility according to the provisions of the Environmental Protection Act. If approved, this facility would have a total maximum name plate capacity of 10 MW. The project location is described in the map below.

### Documents for Public Inspection:

The Draft Project Description for HighLight Solar Power Project was made available for public inspection on June 28, 2010 at [www.highlightsolarproject.com](http://www.highlightsolarproject.com).

### Project Contact and Information:

To learn more about the proposed project, public meetings, or to provide comments in writing, please contact:
